

Recruiting New Teachers

Post time: 27st August, 2011

UK Telford Chinese School is currently recruiting Chinese teachers starting from Oct. 2011.

This is a challenging and highly satisfying teaching role which requires motivation and dedication to working as a teacher, providing a positive difference to the children you are teaching. You will be assisting in the planning and organization of lessons and your role will involve working in a classroom as well as spending time working with other teachers to ensure the effective delivery of lessons to children. You need to be able to speak mandarin and reasonably good English as our pupils are bilingual or non-Chinese speakers. Teaching experience is desirable but not essential. We are also looking for Dance teachers.

Working time is every Sunday during term time from 12:30-13:30 for language teachers and 14:30-15:30 for Dance teachers.
